

## PRESS RELEASE

### **BPM LEADER ANNOUNCES WORLD'S LARGEST INDEPENDENT COMMUNITY FOR BUSINESS PROCESS MANAGEMENT (BPM) PROFESSIONALS**

AMSTERDAM, 24 January 2012 – Today, **BPM Leader** ([www.bpmleader.com](http://www.bpmleader.com)), the largest independent community for business process management (BPM) professionals worldwide, announces the first truly global BPM expert network and community site where you can find the latest insights, ideas and best practices on Business Process Management, Workflow, Lean Six Sigma and related domains.

Being a strictly independent platform, BPM Leader brings together over 8,000 BPM professionals, bloggers, industry experts, users, vendors, consultants and analysts, making it the largest independent BPM community for knowledge sharing in the world.

As Reint Jan Holterman, founder & publisher of BPM Leader, explains: “In today’s rapidly changing economies, you can only out-perform competition by checking and calibrating your ideas with a community of experts in your particular domain. That’s why we have founded BPM Leader, to facilitate the sharing of ideas, thoughts and best practices in the field of business process management.”

BPM Leader offers many free features, like blog (re)publishing, event listing, solution showcasing and group discussions, based on the latest social media technologies. BPM Leader offers its members to gather and to share ideas on Facebook, Twitter, Google+ and LinkedIn. For the latter, BPM Leader partners with BPM Guru, one of the largest and most reputable LinkedIn groups for business process management.

Reint Jan Holterman: “BPM Leader is a community site by BPM professionals and for BPM professionals. I’m very pleased and honored we have found already many respected bloggers and professionals to participate in this concept. They love to share relevant information with the entire BPM community, and use BPM Leader as their means to deliver it right at your fingertips!”

BPM Leader can be found on the [web](#), [Twitter](#), [Facebook](#) and [LinkedIn](#). For more information, BPM Leader can be contacted at [info@bpmleader.com](mailto:info@bpmleader.com).
