Independent community for business process management professionals

[Looking for new bloggers!](#)

Reint Jan Holterman | BPM Leader

The BPM Leader community is growing at a fast rate, making it the largest independent community for business process management (BPM) professionals worldwide. So far, about 60 bloggers have already registered themselves, sharing their first-hand experiences in BPM projects, their best-practices and their vision on how the BPM market should develop.

If **you** also have an opinion on BPM, BPO, Lean or Case Management and want to share that with your peers, you can [join us as blogger](#). Becoming a blogger on BPM Leader is fun and easy-to-do, it helps your peers and increases your exposure within the BPM community.

As strictly independent knowledge sharing platform, BPM Leader brings together over 8,000 BPM professionals, bloggers, industry experts, users, vendors, consultants and analysts, covering the latest insights, ideas and opinions on Business Process Management, Workflow, Lean Six Sigma and related domains.

[Inside the Process Multiverse](#)

Sanooj Kutty | The Information Manager

As a child growing up in the UAE, I remember a distant relative visiting us and educating my dad about sending money home to his parents in India through him and his "contacts" and that dad would get a better exchange rate. Obviously ... [Read more](#)

[BPM – What Do All These People Do?](#)

Kevin Feldhus | Perficient Inc.

The other day while sitting in traffic, I began to wonder what all those people on this crowded highway, standing in line at airport security or waiting in line at Starbucks, do for a living? It is safe to say; they probably use and interact with ... [Read more](#)

[Outsourcing Cartoon of the Week: Resolve](#)

Matthew Heffron | Sourcing Sage

Every week a new outsourcing cartoon.
This week's cartoon is about: Resolve.

[Thoughts on BPM Strategy](#)

Anders Bang Christoffersen | Danish Defence

Strategy without tactics is the slowest route to victory. Tactics without strategy is the noise before defeat. (Sun-Tzu) Throughout the years a lot of BPM initiatives have appeared, and only some of them successful. One of the main reasons for ... [Read more](#)

[BPM in Creative Environments](#)

Murray Oles | Chalex

Business process management between systems is an orchestration of information flows that is defined by a workflow model, and is similar to an orchestra music score in its' clarity of direction. BPM applied to human workflows is more like choreography ...
