### [A Brief History of Process - From Industrial Revolution to Today](#)

#### **Craig Reid | The Process Ninja**

When we sit in our offices and perform our day-to-day tasks, we don't often think about how our jobs came to exist or the way in which work is structured in our organizations. But the fact is that the way we ...

## [BPM follows ERP – are you serious...?](#)

**Anders Bang Christoffersen | Danish Defense**

What do you think is the best implementation order of BPM and ERP solutions? Should we implement BPM after a mature ERP implementation? Or should we do both in parallel? The abovementioned question was raised on ...
